Language Firmest Yet Used Towards The Agrarians-No Tariff War Is Wanted,

Berlin, Jan. 29 .- Count von Posadow sky-Wehner, imperial secretary of state for the interior, speaking today before the tariff committee on behalf of the government, said that if the members of the committee forced into the tariff bill amendments designed to provoke retaliation abroad, the bill would be rejected as the government could not support it.

Count von Posadowsky-Wehner was referring to a batch of motions proposed by Count von Kanitz, Herr von Kardoff, Herr Gamp and other agrarians, conservatives, centrists and national liberals, intended to enable the government to levy discriminating duties and to shorten the bonded period, as well as to require certificates of the origin of imports. The socialist members of the com-

Nez Perces Having a Dance.

Lewiston, Idaho, Jan. 29 .- Two hundred Nez Perce Indians are engaged in a tribal dance on Lapwai creek, fifteen miles from this city. The dance is the result of a council that convened last week to discuss the proposed abandonment of the Lapwai agency, and the transfer of the same to the superintendent of the Lapwai Indian industrial school. The council expressed disapproval of the acts of Supt. Voorhies in charge of the school and who has enforced the attendance of Indian children at school. Resolutions were passed condemning the superintendent and asking that the agency remain separate. A delegation of Indians were also appointed to visit Washington to make their wishes known. The council met five days ago and the excitement of discussion gradually resulted in the wild, weird dance of the tribe. George Moses, Philip McFarland and Poe-Poe-Kalipt, chiefs of the tribe, are participating in the dance. CONSUMPTION CURED.

Mr. Edward Schubarth and Mrs. H. C. Allington, Whom the Doctors Said Had Incurable Consumption, Were Permanently Cured by

Duffy's Pure Malt Whiskey STOPPED HEMORRHAGES.

Nashua City, N. H.,
Gentlemen: It is with great pleasure that I write to inform you that I have used eight bottles of your Pure Malt Whiskey. I would not have been here today only for your wonderful medicine. I have used all kinds of cough syrups and been under the care of doctors. I have had three severe attacks of grin and pneumonia, which have left me with a bad cough and weak lungs and heart. I am 67 years old. It has toned up my system and stopped the hemorrhages. I cough but very little. I only resret I did not know of your whiskey before. I cannot express what it has done for me. I beg to remain. Yours respectfully, MRS. H. C. ALLINGTON, Nov. II, 1901.

OUICKLY CURED. QUICKLY CURED.

Dear Sirs:—I picked up one of your circulars on a table about a month ago and read it through. After reading I went out and bought a bottle of your whiskey, which helped me right away. I am now on my third bottle, using it for so-called incurable consumption, and I feel like a new man. I think that if I had known of your whiskey when I was at home in Chicago, I would have never come cut here for my health. ED. SCHUBARTH. 1998 Market Street, Denver. Oct. 18th, 1991.

There are thousands of cases just like that of Mr. Schubarth and Mrs. Allington, where the patients thought they had incurable consumption until their doctors prescribed Duffy's Pure Mait Whiskey, is absolutely pure and possesaes more curative power than all other medicines. It contains no fusel oil, so common in other whiskeys, and which is a dangerous ingredient in whiskey, especially for the diseased system, when the poison takes effect.

Duffy's Pure Mait Whiskey not only drives our consumption germs and heals the lungs, but it builds up new tissue and renovates the entire system. It alds digestion, stimulates and enriches the blood, tones up the heart, invigoratins and builds up the body so that it will throw off disease. bany one of the leading doctors said he would rather have Duffy's Pure Mait Whiskey to cure consumption, catarrh, asthma and diseases of the throat and lungs than all the quack medicines in the world, and the doctors present agreed with him unanimously. Duffy's Pure Mait Whiskey is good for old and young. It has carried the blessing of health to hundreds of thousands of poor sufferers. Many have tried to imitate it and unreliable dealers have been known to try to sell their customers some cheap substiable dealers have been known to try t sell their customers some cheap substi-tute because there was more profit in the substitute. So we caution our patients to be careful and see that "Duffy's Pur-Malt Whiskey" is on the label, and tha it is our own patent bottle, with the nam blown in the bottle. This is the only wa Duffy's Pure Mait Whiskey is sold. If of fered in bulk or in flasks it is a fraud.
